Dear Members,

Re: Appeal Reminder of Hotel Ratable Value 2009/10

Reference is made to Circular Ref: 035/09/ML dated April 8. After discussing with our consultant, it is a reminder to Members to consider our suggested actions.

First Stage

1. If individual hotel prefer to lodge an appeal/a proposal to RVD, they should submit the proposal before **the statutory deadline, which is May 31, 2009**. The proforma for Hotel Accounts in excel format is enclosed for your reference and taking necessary actions. 2. Please read the **Important Notes** at the bottom part of the standard Proforma for Hotel Accounts and the **Guidance Notes** attached before you fill in the form. **Guidance Notes** guide you what sort of information/data you should provide before submitting information to RVD with the standard Proforma for Hotel Accounts. Please read and follow the Notes as advised.
3. Please copy the proposal and accounts information **via email** to the consultant of the Federation, LandElite Surveyors Limited, for reference. Its contact information is as follows.

We appreciate the contribution of your hotel(s) for the benefit of the entire hotel industry.
5. Under the umbrella of the Federation, collective actions and representation on behalf of Members will be taken. Our consultant will be involved in this stage.
